HONORING THE PUBLIC SERVICE
OF EULESS CITY MANAGER
GARY McKAMIE

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 3, 2015

Mr. MARCHANT. Mr. Speaker, I rise today to recognize Gary McKamie who retired as the Euless City Manager on January 31, 2015. Gary has spent the last 42 years serving the City of Euless, and I am privileged to highlight his astonishing career.

Gary McKamie began his career with the City of Euless in 1973 as a public safety dispatcher. He worked in several positions in the Euless Police Department where he rose through the ranks as a Patrol Officer, Detective, Sergeant, Lieutenant, Assistant Police Chief and, ultimately, as Chief of Police for six years beginning in 1993.

As the Chief of Police, Gary McKamie was instrumental in executing several community projects which included the passage of the criminal tax, establishment of the Citizen's Police Academy, conducting town hall meetings and assisting with the development of the police and courts facility.

In 1999, Gary McKamie became the Deputy City Manager in Euless and served in that capacity for eight years. He was then appointed City Manager in 2007. As City Manager, Gary oversaw major commercial development projects in Euless including Glade Parks and the Riverwalk. Both projects were successfully completed to maintain the charm of the community while protecting the natural scenery that defines Euless. He led significant initiatives to improve water conservation, such as the Reclaimed Water Project, which delivers recycled water for irrigation use in northeast Euless. During his tenure as City Manager, Gary was successful in maintaining a conservative budget, allowing Euless to remain in a strong financial position.

Gary McKamie and his wife, Paula, have been married for 40 years. They have three sons: Blake, Brant and Blane, and six grandchildren: Kylar, Kaylee, Kelsie, Jaxon, Addie and Annabelle.

Gary McKamie's leadership in Euless will be missed, but his impact on the city will always be remembered. Mr. Speaker, it is my honor to ask all of my distinguished colleagues to join me in thanking Gary McKamie for his 42 years of public service with the City of Euless.

IN RECOGNITION OF THE 80TH
BIRTHDAY OF MAJOR GENERAL
[RET.] GERALD G. WATSON

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 3, 2015

Mr. ROGERS of Alabama. Mr. Speaker, I rise today to recognize my friend, Major General (Ret.) Gerald G. Watson, in honor of his 80th birthday.

Watson graduated from Trinity University with a Bachelor of Science degree in chemistry. He was designated a distinguished military graduate and received a regular Army commission in the U.S. Army Chemical Corps. He went on to earn a Master of Science in logistics systems analysis from the Air Force Institute of Technology. His military education included the Artillery Officers Basic Course, the Chemical Officers Advanced Course, the Army Command and General Staff College and the U.S. Army War College.

During Watson's extensive military career, he served as the first chemical operations officer in the Military Assistance Command in Vietnam, where he directed the U.S. Air Force "Ranch Hand" operations, involving the chemical defoliation program. Most of his missions were flown in a craft nicknamed "Patches," due to the vessel having endured more than 500 direct hits from enemy ground fire. Under his leadership, the defoliation program successfully resulted in over a 90 percent reduction in ambushes from Vietcong forces in South Vietnam.

Watson directed the construction and operation of the first two large scale chemical weapons demilitarization facilities while serving as Commander of Rocky Mountain Arsenal. During this time, 7,000 tons of chemical warfare agents were successfully destroyed.

He oversaw the development of the Army's plan for the destruction of its biological weapons stockpile. Later, he served as Program Manager to see the plans be carried out and the biological weapons sufficiently eliminated.

In the office of the Army's deputy Chief of Staff for Operations, Watson spearheaded the re-establishment of the U.S. Army Chemical Corps while acting as Director of the Nuclear,

Biological and Chemical Operations Division. He also served as the Deputy Inspector General for the U.S. Army, where he contributed greatly to the Army's world-wide readiness.

Following that assignment, Watson was promoted to Brigadier General, and assigned as the Commandant, U.S. Army Chemical School where he was responsible for the development of the U.S. Army Chemical Corps' operational doctrine and material requirements. As Commanding General, he was responsible for the officer and enlisted personnel training activities to include the approval of the first chemical live agent training facility in the free world. During this time, he was responsible for conducting officer and enlisted basic and advanced training for approximately 3,000 officers, 25,000 NCOs and enlisted personnel per year.

Selected to be the Director of the Defense Nuclear Agency in 1989, Watson was responsible for conducting underground nuclear weapons tests to determine the equipment and personnel's survivability and vulnerability to withstand the environment created by nuclear weapons.

Watson served as General Manager and President of Teledyne-Commodore LLC after retiring from active duty. From 1998–2009, he acted as senior advisor to the Vice President for Research at Auburn University. He has served on the Board of Directors of Science Engineering Services, Inc., as well as the Board of Directors of the Community Foundation of Calhoun County. General Watson has also completed his third term as a member of the Vestry of St. Michael's and All Angels in Anniston, Alabama.

Currently, he continues to serve as a senior consultant in a range of issues including domestic preparedness, fuel cell technology, chemical and biological sensors, automotive manufacturing technology and canine olfactory technology. Watson is engaged in support of areas relating to the domestic preparedness of first responders and to acts of terrorism involving weapons of mass destruction.

Although his birthday is on February 19th, a surprise celebration will be held on February 21st at Classic on Noble in Anniston, Alabama.

Mr. Speaker, please join me in celebrating Major General (Ret.) Gerald Watson on this milestone, and thanking him for his outstanding service to our country.

HONORING THE LIFE OF LUKE WAGNER ADAMS

HON. JOSEPH CROWLEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 3, 2015

Mr. CROWLEY. Mr. Speaker, I rise today to pay tribute to the life and service of Luke Wagner Adams. Luke was a beloved member of the Queens community, who recently passed away at 76 years of age.

A longtime Queens resident, Luke settled in Sunnyside as a young man and quickly became one of the community's most well-known activists. One of Luke's enduring legacies was his leadership at the helm of the Gateway Restoration Project, which led to the creation of Sunnyside's most iconic symbol, the Sunnyside Arch. Luke led the charge on a number

of additional projects to improve Sunnyside as a prominent member of the Sunnyside Chamber of Commerce, Sunnyside/Woodside Lions Club, Sunnyside Kiwanis Club, and Sunnyside Artists. In recognition of his long list of accomplishments, the Sunnyside Chamber of Commerce and Sunnyside Artists' annual 'Luke Adams Sunnysider of the Year' award was named in his honor.

Luke will forever be known not only for his love for his community, but also for his generosity and selflessness. Luke's loyalty to his friends and community was unmatched, and he was willing to go above and beyond for those who asked him for help. Whether it was raising money for the hungry, being the first to welcome a newcomer to the neighborhood, or ensuring that others who joined him in his civic engagement received proper recognition, Luke was the most humble and genuine person one could come across.

Luke was immensely proud of his community, and dedicated his life to making his neighborhood a better place. Mr. Speaker, Luke's commitment to Queens is, and will continue to be, an inspiration to all of us. I ask my colleagues to join me in honoring the life and legacy of Luke Wagner Adams. May he rest in peace.
